Location:

Pridhamsleigh Cavern is a cave on the outskirts of Buckfastleigh. It is approximately 1.1 kilometers in length and reaches 60 meters in height in some passages. Pridhamsleigh is a good site for novice cavers although it is quite muddy. It has a large variety of passages which lends itself to longer explorations. Due to the nature of the connecting and non connecting overlapping passages in the cave, surveys (maps) of the cave are hard to interpret. The cave contains 'The Lake', a large elongated pool, which has been dived to discover a second chamber, with no passages leading off it. This chamber is the biggest in Devon.

I would like my son/daughter to take part in the Spring Caving, sessions

I enclose a cheque for £80 (Please pay in full before the sessions start).

I am aware that there are risks associated with water sports.

*Would you please pay these payments by cheque, marked with the **child's name** & the 'Spring Caving' written on the back.*

To 'Magdalen Court School

Also it is of great help to us if they are not amalgamated with other moneys paid to the school, i.e. a separate cheque.

If you are not aware of the risks involved or the procedures we put in place to manage these, please ask myself, in person or by e-mail & I will be most happy to describe the activity in greater detail, explaining the potential risks your child will be exposed to.
