**London Theatre Trip  
Thursday 11th July 2013**

Dear Parent/Guardian,

As we draw to the end of our 2012/2013 academic year, it is time for the annual, highly popular and successful, London Trip! And this year, it's a bit of an epic one as sadly, it will also be my last trip before I leave. So we're pulling out all the stops!

The exact timings will be firmed up closer to the date as we will be basing the mode of transport on the number of students we have and what makes most sense.

Provisionally, the plan is to get the train from Exeter St Davids at 6/7am to arrive in London Paddington for 10/11am. From there we will take the Tube to the London Zoo in Regent's Park, one of the country's top Zoos. After spending a few hours here we will take the Tube down to Waterloo to visit the new London Dungeons, which have moved since our visit there in 2011 and should offer a new experience to any who were there before. After this we will make our way toward the theatre and enjoy some food in an eating establishment of the student's choice around Leicester Square. From there we will travel to attend the 7:30pm showing of the hit musical Wicked, after which we will travel back home, arriving at the unreasonable hours of the morning. I hope you will agree that this will be a full and epic day out!

The trip will be on the 11th July, which like last year, is the day after we break up, and will cost £90, which does not include food and drink, but does include Tube travel, transport there and back, and the three attractions we will be visiting.

If there is enough interest, I may seek to book us into a decent place to eat our dinner. TGI Fridays perhaps. Your son/daughter will need to bring money for this, though they will be entitled to seek alternative arrangements for food if this is not appealing. There are plenty of options!

All students from Early GCSE and upwards are invited, but any children 12 years old or younger will need to be supervised by a parent/guardian, due to the obvious hazards of travelling around London! I know this is a terrible

burden to place on you, but I'm sure you will be able to endure a fun day out!

More specific details around timings will be given closer to the time, but I would not expect them to deviate much from those given above.

If you have any further questions, please do not hesitate to contact myself or Mr Jenner.

Oh yes, and I need responses by this Wednesday 19th June, because the longer we leave it, the more expensive it becomes!

All the best!
