Dear Parent/Guardian,

As the school year draws to an end, it falls upon us all to decide on the best way with which to celebrate the final days of another period of hard work and excellent achievement.

Myself and Mr Jenner have settled on a rather exciting trip to London to see the smash hit musical “We Will Rock You”, as well as visits to Buckingham Palace, The Royal Academy of Arts and the Natural History Museum! A great opportunity for arts students as well! This will be on **Monday the 5th of July**, and will cost **£55** per person, for transport to London and the tickets themselves, plus spending money for programmes, food and souvenirs.

Having seen the show a couple of years ago I can confirm that it is, indeed, amazing, and well worth coming on this trip!

The train will depart at 10:56 from **Exeter St Davids (meeting at 10:40)** and we expect to be home for **3am the following morning**. Late I know, but train times are not our friend it seems! It'll be a quiet train so lots of time to sleep.

If you could respond as swiftly as possible I would appreciate it, as the later it gets, the more things cost! I aim to have everything booked by the first Friday back after half term.

For anyone planning of doing Drama GCSE next year, this is also an excellent opportunity to get some experience of the theatre!

Yours faithfully

Mr W Power
