Pocket money

- The holiday is Full Board, so no money needed for lunch, unless they want a soft drink.
- Coke or coffee will cost about £2.50 - £3.00
- Either UK sterling or Euro's, I can change money at the resort.
- I encourage parents/pupils to give their money to me for safe keeping & to divide it up into equal daily allowances.
I had one 16yr old boy who insisted he was mature enough to look after his own money & then spent over £100 on the games machines at Gatwick before we took off for our holiday & arrived broke!
- I will confiscate money off any pupils who infringe our rules regarding what they can & can not purchase.
- As a guide €10 a day pocket money seems reasonable, + any money for presents/souvenirs. Some money to purchase a snack, drink & magazine at the airport at each end is a good idea.

Alcohol & Cigarettes

As school, the drinking of any alcoholic drink or smoking of tobacco is forbidden.

Unlike the UK these can be easily purchased by the pupils.

- We have always found it necessary to be very strict with the pupils.
- The problem can lie with older pupils, so these measures will be more strictly monitored/directed towards them.
- To monitor this we will search pupils rooms, at regular intervals during the week.
- Pupils will not be allowed out to shop unsupervised, particularly to the local supermarket. Again the older you are, the more strict we will be.
- Until pupils are settled in their rooms & largely asleep, we will hold their room keys, to help us monitor them.
Last thing at night we will hand the keys back to the pupils, so they can lock their doors.

On the school web site you will find:

- Code of Conduct, needs to be signed & returned to school.
- SunSmart
- Clothing
- What to take + This letter

Conduct

Your child will be the responsibility of many different organisations, amongst which are: coach, airport, airline, travel, ski lift company, hotelier, ski school & Magdalen Court School. All these parties reserve the right to terminate their services if your child's behaviour is inappropriate.

There will be no compensation or services provided to your child.

Any expenses must be met in full before they leave the resort & separate travel arrangements might be necessary.

Room & Ski School allocation

Is on arrival at the resort.

I do fill in a request allocation, but experience tells me, this has to be frequently amended on arrival at the resort. So don't make any plans on who you are going to share a room with, we will tell you at the resort & if your behaviour dictates it, we will alter the rooming arrangements as the holiday progresses.
