Waiting at airports can be boring...

so tackle these sudoku puzzles and you'll be on the slopes before you know it!

shortest journey

Can you help Pepi find the shortest way to the board park?

spot the difference

Pepi's prepared for the slopes but can you spot 5 differences in these pictures? If so, draw a circle around each one.

Gook luck!

Sudoku

The rules of sudoku are quite simple. You are presented with a 6x6 grid of boxes, some empty, some filled with numbers in the range of 1 to 6. That gives you 6 rows, 6 columns and also 6 squares of 3x2 boxes.
