We would like our son/daughter to go on the MCS skiing trip to La Rosière on the French/Italian border. in Jan. 2011, we enclose a deposit of £101

*Would you please pay these payments by cheque, marked with the **child's name** & **Ski 2011** written on the back. Also it is of great help to us if they are not amalgamated with other moneys paid to the school, i.e. a separate cheque.*

If you are not aware of the risks involved or the procedures we put in place to manage these, please ask myself, in person or by e-mail & I will be most happy to describe the activity in greater detail, explaining the potential risks your child will be exposed to.

Who can go?

Not an easy question to answer, we have had children as young as 10, without problems. It very much depends on the child. The holiday requires a certain amount of resilience, skiing for 4-6hrs a day is very physically demanding, it's akin to walking out on open Dartmoor for the same time, in possibly difficult weather + an active evening entertainment programme & the demands of travelling there.

Food is essential & fussy eaters can suffer, your body just does not work if you don't take in the calories, what ever you eat, you will come back having lost some weight.

Trustworthy, no child is an angel & how they act with their parents is different when they are with a group of friends. However children who challenge our requests or who actively go out to find mischief, make our life difficult.

We retain the right to exclude requests to join the trip.

If your not sure if your child is ready ask, & if we feel they are not for what ever the reason, we will offer a plan to get them there, if not next year then soon after.

Previous school trips are a good way to prepare children for this trip. Our trips start with the easy day trips, Horse Riding, Hill walking, Swimming, Canoe & Dry Ski clubs, then move on to more adventurous: Dawlish Camp, PGL weekend, Brecon & Scottish weekend, to our French Camp & finally our Skiing Trip.
