

Abbotshood Cycle Hire is situated 50 metres from Greenway Bridge on the Grand Western Canal at Halberton. The canal towpath provides 11 miles of flat safe cycling for all, with a number of good eating places close to the canal to make a good days outing for all the family. The canal runs through some of the loveliest undiscovered countryside in Mid Devon, and is haven for wildlife. For the more adventurous, the hills are not far away, with lanes, tracks and more pubs waiting to be discovered in more unspoilt countryside. The canal also forms part of the West Country Way (NCN3).

Abbotshood Cycle Hire is part of a small working farm, and as such allows us to be open 'all hours', so you can plan your day round what you want to do and not our opening hours. Our aim is to help you enjoy your time in the area if you are a visitor, or help you out if you are local and have visitors, or you've brought the kids bikes and not your own, or you want to ride a bike on Exmoor, or you want bikes delivered and collected from Tiverton Parkway railway station ----- the list is endless. **YOU** have the idea and **WE** will do our best to help you fulfil it!

We can get busy through the summer season, so we do recommend that you ring and book to avoid disappointment. This is particularly important if you want to hire a group of bikes at any one time.

We look forward to welcoming you to
